For more information on the **September Update of White Papers, Subject Tracer Information Blogs, Columns, and Newsletters by Marcus Zillman**, please contact Melissa Barker at (800) 858-1462 or at [melissa@virtualprivatelibrary.com](mailto:melissa@virtualprivatelibrary.com).

The Virtual Private Library is an extensive subject catalogue of valuable information resources on the Internet. This ground-breaking site hosts a wide collection of unique subject directories created with the power of Subject Tracer Information Bots™. These bots are highly sophisticated computer programs that use artificial intelligence to track down and retrieve valuable and relevant information from databases that are not accessible by traditional search engines.
