AWARENESS WATCH TALK SHOW FOR SUNDAY SEPTEMBER 6,

2009 AT 2:00PM EST

This week's show highlights the best collection of astronomy resources on the

Internet available from <http://www.AstronomyResources.info/>

NAPLES, FL – The Awareness Watch Talk Show for Sunday September 6,

2009 at 2:00pm (<http://www.BlogTalkRadio.com/AwarenessWatch/>) takes you

on an exciting journey through the stars, with your host Marcus Zillman, who will

provide a fun and in depth look at the Subject Tracer Information Blog™ entitled

Astronomy Resources available from <http://www.AstronomyResources.info/>.

This Subject Tracer monitors astronomy resources on the Internet, such as

AstroPhysics, BioAstronomy, Radio Astronomy, RoboScopes, and many other

related topics. In addition, Marcus will be reviewing the latest happenings on the

Internet by visiting his blog at zillman.us. He will also be discussing his 80 page

AwarenessWatch NewsletterV7N9 for September 2009, covering Social

Informatics, as well as the September 2009 Zillman Column, featuring

-more-

Educational Resources for Twitter, SMS and Text Messaging. You may call during the show to ask your questions at (718) 508-9839. The show is live and thirty minutes in length starting at 2:00pm EST on Sunday September 6, 2009 and then archived for easy review and access. Listen, Call and Enjoy!

For more information on the **Awareness Watch Talk Show for Sunday September 6, 2009 at 2:00pm**, please contact Melissa Barker at (800) 858-1462 or at melissa@virtualprivatelibrary.com.

The Virtual Private Library is an extensive subject catalogue of valuable information resources on the Internet. This ground-breaking site hosts a wide collection of unique subject directories created with the power of Subject Tracer Information Bots™. These bots are highly sophisticated computer programs that use artificial intelligence to track down and retrieve valuable and relevant information from databases that are not accessible by traditional search engines.
